"I'm an elder of the transgender community, and Sean Dorsey is my pride and joy. His sensitivity to the pain that comes with transformation is as compassionate as any Zen master's. His deadpan comic timing, his skill at seduction, his charm and boyish sexiness all make us – his audience – love him all the more.

Dorsey choreographs and performs...with a skill that rivals Mark Morris."  
*(Kate Bornstein)*

"I can't remember the last time I saw so much tenderness, romanticism, delicacy of feeling, tentative grace, truth of gesture, human longings for loyalty, affection, and abiding relationship."

*(DanceView Times)*

"astonishing"

*(New York Dance Insider)*

"Dorsey's intelligent and evocative work helps build a frame of reference to enable viewers to experience dance outside of gender. At the same time, Dorsey is helping create a movement vocabulary to signal a newly gendered body. These conscious choices form an important contribution to the process of queering modern dance."
